WELCOME & INTRODUCTIONS

REPORTS

Officer's Reports

Checkbook Balance: ~\$43,000

Known Expenditures: ~\$19,125

Principal's Report

Current outlook. Skyview is the largest elementary with 620-630 students. >50% free/reduced lunches, students of color are 2/3 of school, 1/3 of students transfers (inter- or intra-district), Skyview with dramatically changing demographics as compared to 10 years ago. Low staff turnover, added full time social worker to staff.

Drop-off & pick-up drastically improved with new lot.

Skyview not a neighborhood school due to geographic location. Working to add curriculum to coordinate social emotional learning with academic learning. Help to teach students empathy.

Discussed District vote & impacts on Skyview Elementary. Consider changing middle school population as well as redrawing school lines to reduce poverty & socioeconomic perpetuation. Building an elementary school is 1/3 the price of a building a middle school.
